

# TRADEOPOLY

## *The Apprenticeship Journey To Trade Certification*

**Game Goal:** There are many important steps involved in completing the apprenticeship journey. The goal is to be the first to successfully complete the full journey to trade certification.

**Required Tools:**

- Dice
- Game Board
- Game marker for each player
- TRADEOPOLY Record of Occupational Progress Logbook

**Directions:**

1. Each player selects a marker.
2. Roll the dice to determine the order of play.
3. In turn, players roll the dice and then move the appropriate number of steps on the board.
4. Refer to the TRADEOPOLY Record of Occupational Progress and find the accordingly numbered "task" from the logbook.
5. Read the task and move the required number of steps.
6. The next player proceeds.
7. Play continues until someone successfully completes the full journey to trade certification.
